# THE VISION NEWSLETTER

FALL 2011

## Winning Technologies has again proven itself to be one of the BEST IT Firms in the Nation!

Winning Technologies continues to be recognized for our outstanding support, and business methodologies. Winning Technologies commitment to maintaining our Extreme Customer Support, NO Exceptions, NO Excuses continues to be the core of our success and seven years running of maintaining a 98% customer satisfaction rating. Our success is also largely contributed to the dedication of our employees who work endless hours to ensure that we exceed the expectations of our customers.

## Serving the Community

Winning Technologies is committed to serving our Communities in which we work and live!

Paralyzed Veterans of America

To learn more about these Winning Technologies Support Charities visit [www.americanspiritmustang.com](http://www.americanspiritmustang.com)

## Winning Technologies Ten Year Anniversary!

Come join the party for Winning Technologies 10 year anniversary!! December 10th 2011: come meet the people, tour the Winning Technologies Headquarters and learn more about how Winning Technologies is working to serve our clients and maintain our Extreme Customer Service, No Exceptions No Excuses motto!

## Customer Feedback Advisor Committee

Winning Technologies is always taking a hard look at how we service and manage our clients. YOUR feedback is very important to us and we are looking for clients that would like to get further involved and provide us with your perspective on how we can continue to improve. If you are interested in participating contact Kim Shelkey at 877-379-8279 or [kshelkey@winningtech.com](mailto:kshelkey@winningtech.com)
